If the event runs for more than one day, points will be awarded for each day marshalled regardless of the number of controls you undertake in that day. (Only Competition days to be eligible, not set up or preparation)

Night events such as Road Rallies will be classed as 1 event, i.e. only 10 points will be allocated even if a control is manned on the first evening and the early hours of the following morning.

## **Overall Club Champion**

This trophy is awarded as a tribute to former Secretary, Gareth W Jones, and goes to the club member who takes pride in getting involved with the club and its activities and is a measure of effort and not results in the various qualifying disciplines. The Club Champion will be the person who accumulates the highest number of points, as per the scoring system below, in all of the Club Championships, provided of course, that entries have been made in the name of the Club. See note 1.

Points will be awarded as follows:

- 1) Finishing any event in the Drivers – Stage Gravel, Stage Tarmac, Sporting or Road Rally Championships or Navigators – Stage Gravel, Stage Tarmac or Road Rally Championship will receive 15 points + 1 point for starting (any member who does not finish the event will receive 1 point towards this championship). A maximum of 8 results will be entered into this championship.
- 2) Taking part in any CVMC Night Navigational Exercise, Table Top Rally or Treasure Hunt – 10 points. A maximum of 9 Night Navigational results will be entered into this championship.
- 3) Taking part in any event as detailed in the Social championship – 10 points.
- 4) Organising or acting as a named official on any CVMC event – 20 points.
- 5) Marshalling on Club, Motorsport UK or FIA authorised Motorsport events = 10 points per event.
- 6) Acting as Chief Marshal on behalf of Clwyd Vale Motor Club at any Motorsport UK or FIA authorised Motorsport event - 20 points

## **Newcomers Championship**

A Newcomer is a person who has not been a member of Clwyd Vale Motor Club at any time previously. (Except as a Junior Member). The highest placed Newcomer during the championship year will be the competitor who joined the Club during the year and who accumulates the highest number of points in all of the Club Championships, provided, of course, that entries have been made in the name of the Club. See note 1.

Note: For those Newcomers entering Road Rally events, their points will be calculated as follows:  
Class position score + Overall Position + 1 (one) point for starting = Total score ÷ 2, i.e. if you score 80 points in the Road Rally Drivers or Road Rally Navigators championships, your points carried into the Newcomers Championship will be 40.

This is to offset the fact that Stage & Sporting Drivers and Stage Navigators do not obtain points for their Overall position and ensures there is no unfair advantage to Road Rally competitors.

## **Junior Championships**

The aim of these championships is to encourage Junior members to participate in events as they become eligible in line with the Motorsport UK Yearbook age limits.

A Junior member is as defined in the Club Rules item 19, paragraph 4. The Full member (parent / guardian) who nominates the Junior member on their Membership Application Form will be wholly responsible for the safety, security and reasonable behaviour of that Junior member.

The Championships will open to Junior members when they reach the age of 5. Junior Membership and eligibility for the Junior Championship will cease on the member's 17<sup>th</sup> birthday, regardless of Club Year start & finish. Points gained before the member's 17<sup>th</sup> birthday will stand in the Junior Championship. The Club Secretary will record the date of the Junior member's 5th birthday.

Point scoring will be in line with all other appropriate Club Championships. Additionally, Junior members from age 12 onwards will be able to gain points for being a passenger on a Production Car Trial or Production Car Autotest at a rate of half the points gained for their driver.

Note: For those Juniors entering Road Rally events as a navigator, their points will be calculated as follows:  
Class position score + Overall Position + 1 (one) point for starting = Total score ÷ 2, i.e. if you score 80 points in the Road Rally Drivers or Road Rally Navigators championships, your points carried into the Junior Championship will be 40.

This is to offset the fact that Stage Navigators do not obtain points for their Overall position and ensures there is no unfair advantage to Road Rally competitors.

Junior Members will be eligible for all other Club Championships except the Newcomers Championship. All members between the ages of 5 and 16 may only claim points for marshalling on events organised by Clwyd Vale Motor Club.

Two awards will be presented:

**Junior Club Champion** - any Junior member who falls into the 12 to 16 age bracket who accumulates the highest number of points from any event for which they are eligible.

**Best Mini** - any Junior member who falls into the 5 to 11 age bracket who accumulates the highest number of points from social events held within the club.

Any junior member who turns 12 in the championship year will continue receiving points for the mini championship for social events, however, should they compete on events which they become eligible for after reaching the age of 12 these points will then be entered into the Junior Championship.
