Marshal Training

29 January 2022 - Clitheroe Auction Market, BB7 1QD,

10.00 - 15.30. On-site Cafe. Pre-registration necessary

To keep Marshals up to date with any changes or just to re-refresh your skills there will be a Practical Day on Saturday 29th January.

If you have been on the Zoom courses run over the past 18 months, why not go along and test your skills in stage set-up, radio operation, how the clocks are being used in a contactless way, how to sort out a problem which arises during the event and much more. There will also be an opportunity to introduce new people to marshalling.

To join us please fill in your details as to what you would like to do on this practical and informative day. As it is outside, outdoor rallying kit will be required, boots, waterproofs etc.

If you are needed signatures to keep or upgrade your skills we will be able to do that as well.
