County Kerry Motor clubs keen to attract overseas competitors

Dear Club Secretary

I am writing to you on behalf of two motor clubs in County Kerry, Ireland.

I would be grateful if you could share this information with your membership.

Many of you will know me as a founding member of London Irish Motor Club and a former journalist with Motorsport News.

The two motor clubs in Kerry, between them, run four rallies every year and we would love to see more of our UK friends competing on Irish rallies.

With this in mind, the two motor clubs in County Kerry have launched a unique plan in an effort to attract more overseas competitors to their rallies.

The Tralee-based Kerry Motor Club and Killarney and District Motor Club each run four rallies every year.

The Rose Hotel Circuit of Kerry Rally, scheduled for April 5 organised by KMC runs three weeks before the KDMC-run cartel.ie Rally of the Lakes.

Likewise, the Kerry Winter Rally, which makes a return this year after two seasons off the calendar will run three weeks before the Killarney Historic Rally.

For those not familiar with the event, The Circuit of Kerry is a one-day, nine-stage event, offering around 60 miles of stages and is a round of the Triton Showers National Rally Championship. The Rally of the Lakes is a two-day international event and features iconic stages like Moll's Gap.

The Kerry Winter Rally is a club event open to all classes except for WRC and R5 cars the Killarney Historic Rally is a specialist event but with classes for modified cars too.

All four rallies traditionally attract a strong international entry and their proximity on the calendar means that both clubs will now offer storage and workshop facilities between each event.

Safe and secure workshops have been identified in both Tralee and Killarney.

Each of the storage facilities is big enough to house three or four van and trailer rigs and are owned by club members and experienced rally competitors.

The idea is that if a driver enters the Circuit of Kerry in April and has ambitions to enter the Rally of the Lakes a few weeks later, they will substantially reduce their costs by only having to pay for one return ferry for the two events. The same applies to the two events later in the year.

It is the first time that the two motor clubs in the county have come together to create such a package that will be of benefit to all rallies and all overseas competitors.

UK visitors can make their way back home after the first rally in each batch via Kerry Airport which is served by Ryanair (cheap flights) to Stansted, Luton and Manchester.

Kerry Airport's links to German and Belgian competitors near Frankfurt Hahn will make the package even more attractive to international crews.

Additional discount on ferry crossings is available via the Motorsport Ireland membership card which is free to all – even overseas supporters of Motorsport Ireland event and can be obtained via motorsportireland.ie

Details of all four events, including entry fees etc, will be published on Kerrymotorclub.com and on killarneyanddistrictmotorclub.ie in the coming days
