

## Clwyd Vale Motor Club Night Nav 13<sup>th</sup> August 2021

13<sup>th</sup> August – we are now able to run Night Navs again, it is subject to the following rule as stated by Motorsport UK:

The Motorsport UK guidance for Motorsport UK events held under permit in Wales is now the same as the guidance for England, so dual occupancy in vehicles is now permitted, however if the passenger is not from the same household all occupants should wear a mask and increase ventilation in the vehicle.

This is how things stand at the moment, the guidance is up for review on the 7<sup>th</sup> August so if this changes, i.e. masks are not required by Welsh Government and Motorsport UK then we would be able to remove this restriction.

We do have to run this event still adhering to Covid rules with regard to no physical contact with paperwork, so signing on would have to be completed electronically. We are limited to a 15 car entry, to enter please complete the attached Signing-On declaration sheet and email it to Pete Dale [pjdale47@gmail.com](mailto:pjdale47@gmail.com) to confirm your place – IF YOU COULD MAKE SURE YOU STATE WHO YOU WILL BE DRIVING OR NAVIGATING FOR SO WE KNOW WHO IS IN EACH CREW THAT WOULD BE FANTASTIC.

If you haven't completed one of these forms before, you will just need to complete a couple of fields on page 3 highlighted in the graphic below in Red boxes. You can complete this form on your computer, click into the fields and type. You can enter just type your name into the "Signature" box, **you do not need to print this out to sign it with a pen.** If you then save the file and email it to Pete he will reserve an entry for you (these will be reserved on a first come first served basis). The entry fee will be £3 on the night, please have the correct change as you will be asked to just drop this into a bag as payment. ([Click here](#) for the form)
